Karen,

Lawrence Petroni is the Bolivia Desk Officer for WHA. Could you send me a table that shows the following columns?

Name of Dem Contractors Or Grantees	Value of Contract or Grant	Name of Project that funds the Contract/Grant	Main Activities to Support or Strengthen Democracy under this Contract/Grant
-------------------------------------	----------------------------	---	--

I think that this is the information which Lawrence is requesting below. He would like you to include information on activities that strengthen democracy which are funded by USAID/Bolivia funds as well as activities that are funded by OTI. He would like this information by noon tomorrow (Tuesday). Regards, Dave
